

LIST OF FEES FOR SERVICES AND RIGHTS OF USE

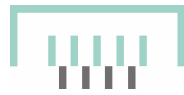

issued by the Montanhistorische Dokumentationszentrum (montan.dok)

Accessibility to and provision of historical documents (files, photos, objects etc.) from our own collections is a key task of the Montanhistorische Dokumentationszentrum (montan.dok) of Deutsches Bergbau-Museum Bochum. There is generally no charge to use the collections of montan.dok by viewing them on-site. This includes initial preliminary research, the issue of written information and specialist advice from the staff of montan.dok (exception, see 1.6). In return for providing additional services, especially the preparation and provision of digital reproductions and documents, montan.dok will charge a fee in order to cover its own costs incurred.

The modes of use are defined in the Terms of Use of montan.dok.
