RULES ON CITING METHODS FOR MATERIALS

sourced from the Montanhistorische Dokumentationszentrum (montan.dok)

The abbreviated form "montan.dok" must be expanded as follows for the initial citation in the annotations or at the central citation section: Montanhistorisches Dokumentationszentrum (montan.dok) beim Deutschen Bergbau-Museum Bochum.

Bergbau-Archiv Bochum (BBA)

Reference in annotations and bibliography:

- for initial citation:
  Montanhistorisches Dokumentationszentrum (montan.dok) beim Deutschen Bergbau-Museum Bochum/Bergbau-Archiv (BBA) [fonds number/file number]
- then subsequently as:
  montan.dok/BBA [fonds number/file number]
- Example
  montan.dok/BBA 2/63

Museum's Collections, Photographic Collection, and Library

For works sourced from the Library, the following refers to references when using historical publications as objects, e.g. as part of exhibitions.

Reference in annotations and bibliography:

- for initial citation:
  Montanhistorisches Dokumentationszentrum (montan.dok) beim Deutschen Bergbau-Museum Bochum [inventory number]
- then subsequently as:
  montan.dok [inventory number]
- Example
  montan.dok 023200653001

Bibliographic references in academic/scientific papers are subject to the standard specific rules on citation.
